

Missing or Found Cats:

The Dog Officer does **not** pick up or take in any stray cats. However, reports on missing or found cats are taken in hopes of reuniting a lost cat with its rightful owner.

Report your missing or found cat by calling 978-544-5218 ANYTIME. Please give your name, address, and telephone numbers (home, work, cell). Try to provide the most detailed description you can of the cat, including the date, time and location when the kitty was last seen. You may also Email photos to fy07orangedog@yahoo.com.

If you have found a cat or kittens, please call Athol Animal Control at 978-249-2494 or Dakin Pioneer Valley Humane Society at 413-773-3148 or 413-548-9898. Depending on the age of the animals and available space at their facilities, perhaps they can take the cat from you. If not, they may refer you to another agency to assist you.
