

Spay/Neuter Grant

Since 2007, the Town of Orange Animal Control has been the recipient of a grant from Massachusetts Animal Coalition's "I'm Animal Friendly" License Plate Program. The sale of these license plates by the Registry of Motor vehicles is the sole funding source for these grants.

Grant funds are used to assist lower income residents of Orange to get their dogs and cats spayed or neutered. Spay/Neuter services are provided by Brian Hurley, DVM, of the Gardner Animal Care Center. Surgeries will be performed the second, third, and fourth Fridays of each month.

In July 2010, MAC awarded the Orange Spay/Neuter Program a grant of \$1,550.00,

If you wish to have your puppy, dog, kitten or cat spayed or neutered, please contact me by telephone at 978-413-7871 (Dog Officer cell), or by Email at fy07orangedog@yahoo.com.

The Massachusetts Animal Friendly license plate will tell your community that you care about animals! By purchasing this license plate, you will be contributing to a statewide program that will directly benefit Massachusetts animals.

The initial cost of this Animal Friendly license plate is \$90: \$50 registration fee and \$40 Special Plate fee. The renewal fee is \$90 every two years.

To purchase the license plates, please visit your nearest branch of the RMV, or go online to: <http://www.mass.gov/rmv/express/plates.htm>
