**Permit application instructions for signs**

1. Fill in all the information in the top section that applies to the project. A Construction Supervisors License is not needed if no structural work is associated with the project.
2. Circle the appropriate choices and/or fill in the information in the middle section that apply to the project.
3. If there will be any demolition debris during this project, you must complete the demolition debris affidavit on the bottom of the front page.
4. The attached Worker's Compensation Insurance Affidavit must be completed and signed with either the worker's compensation insurance information or sole proprietor box checked.
5. Permit fees for signs are:
  - **\$45.00** for signs up to 50 Sq. Ft. in area.
  - **\$45.00** for signs over 50 Sq. Ft. in area plus **\$1.00 per each additional Sq. Ft. over 50**

**Return the completed application form to this office, with the proper fee, to obtain a building permit Before the work is started.**
