# Real Estate & Utilities

## Real Estate & Housing

- ♦ **Housing Units:** 33,646 total housing units. Of the 30,202 occupied housing units, 69% are owner-occupied and 31% are renter-occupied.
- ♦ **Home Sales:** According to the Realtor Association of Pioneer Valley, there were 626 single family home sales in 2016, an 13% increase from the previous year. The median sales price of a single family home in 2016 was \$199,500, a 8% increase from the previous year.
- ♦ **Commercial Vacancy:** In 2014, Greenfield had a downtown commercial vacancy rate of 15%, while Turners Falls and Orange had rates of 7% and 9%, respectively.
- ♦ **Industrial parks:** The six planned industrial parks are I-91 Industrial Park (Greenfield), Airport Industrial Park (Montague), Deerfield Industrial Park, Orange Industrial Park, Randall Pond Industrial Park (Orange), and Whately Industrial Park.

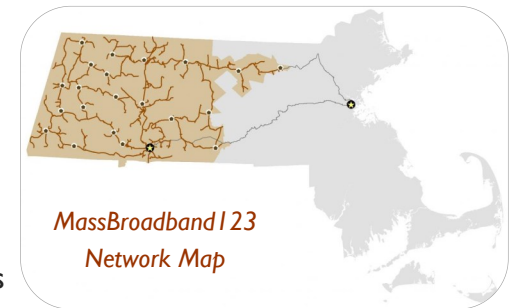

Entrance sign to the Randall Pond Industrial Park in Orange.

*"Doing business in Franklin County is like being in the 'Cheers Bar' where everyone knows your name. A relatively small economy makes doing business personal and all the players are interested in your success."*

Mark Abramson, Realtor, Cohn & Company Real Estate Agency

## Utilities

- ♦ **Electricity:** Distribution by Eversource or National Grid. Consumers have the option to select their electricity generation provider.
- ♦ **Broadband:** A next generation middle-mile fiber network called *MassBroadband I23* extends throughout the county and western Massachusetts. Last mile services are available via cable systems in 13 towns; a wireless broadband system in Warwick; and a fiber system in Leverett. Remaining towns are exploring the potential to deploy fiber and other advanced broadband technologies.
- ♦ **Natural Gas:** Deerfield, Greenfield, Montague, Sunderland and Whately are served by Berkshire Gas Company infrastructure. However, Berkshire Gas Company has implemented a moratorium on new natural gas service in these communities.
- ♦ **Water/Wastewater Systems:** Fifteen Franklin County towns have a public water system in their community, and thirteen have a wastewater/sewer system.
- ♦ **Green Communities:** The Commonwealth's Green Communities Division strives to help municipalities find clean energy solutions to reduce long-term energy costs and strengthen local communities. In Franklin County, sixteen towns are designated a Green Community.

# Transportation & Education

## Transportation

- **Highways:** According to MassDOT, the average daily traffic volume on I-91 in 2016 was 35,434 vehicles in Whately and 20,827 vehicles in north Greenfield. The average daily traffic volume on Route 2 in Shelburne (near the Greenfield town-line) was 11,960 vehicles and in Orange (near Route 202) was 12,318 vehicles.
- **Passenger Rail:** Amtrak's Vermonter from the JWO Transit Center in Greenfield connects north to Vermont and south to Springfield, New York City and Washington DC daily.
- **Freight Rail:** Connecticut River Main Line and NECR Main Line run north-south, and the Patriot Corridor runs east-west. East Deerfield Rail Yard allows some access for off-loading.
- **Air Transport:** Bradley International Airport is an hour's drive away near Hartford. An additional international airports, including Boston Logan (MA), Albany (NY), and Manchester (NH), are within a 2.5 hour drive.
- **Bicycle/Pedestrian:** Franklin County Bikeway is 44 miles of shared roadway and off-road bicycle paths, including the 3-mile Canalside Trial Bike Path in Montague.

*Amtrak's Vermonter train pulling into the new Greenfield Station.*

## Education

- **Higher Education:** 12 colleges and universities with 47,000 students are within 30 miles of Greenfield, including the "Five Colleges" of Amherst, Hampshire, Mt. Holyoke and Smith Colleges and UMASS.

Greenfield Community College offers Associate's degrees and certificates in over 30 programs. Fall 2015 enrollment was 2,050 students.

- **High School:** There are eight public high schools with over 3,700 students, including a technical school and a charter school; and six independent schools which board over 2,000 students.

- **Highest Educational Attainment:** For the county's population 25 years and older, 11% have an Associate's, 19% have a Bachelor's, and 16% have a Graduate or Professional Degree as their highest level of educational attainment.

*Greenfield Community College's campus on beautiful Spring day.*

*"I feel that the businesses and educational institutions - the technical and high schools, Greenfield Community College - of Franklin County realize their interdependence and are readily interactive, continually communicating and working to understand and support each other's missions to the mutual benefit and success of both groups in a spirit of community partnership."*

Christopher R. Pichette, Plant Manager  
wTe Recycling, Inc.

# Regional Resources

- ♦ **Common Capital, Inc.** (Holyoke) - A non-profit organization that offers loans and other financing, such as the Community First Fund, for start-up ventures and businesses seeking to expand. Web: [www.common-capital.org](http://www.common-capital.org)

# Tax Incentives for Property Investment

Making a significant investment in equipment and/or real estate development? Tax incentives or tax credit programs may be able to help. Both federal and state governments maintain tax credit programs available to support private, large-scale development projects. Awarded tax credits are sold to raise capital which is then invested into a development project.

- ♦ The State's **Economic Development Incentive Program (EDIP)** offers state and/or local tax incentives (such as a TIF) for certified projects that promote job creation and invest in expanding or building new facilities or significant new investments in equipment. Web: [www.mass.gov/edip](http://www.mass.gov/edip)
- ♦ The Massachusetts Department of Environmental Protection (MassDEP) administers the state's **Brownfields Tax Credit Program** to help fund eligible clean-up costs of hazardous substances. Web: [www.mass.gov/eea/agencies/massdep/cleanup/programs/brownfields-tax-incentives.html](http://www.mass.gov/eea/agencies/massdep/cleanup/programs/brownfields-tax-incentives.html)
- ♦ Through the **Massachusetts Historic Rehabilitation Tax Credit Program** managed by the Massachusetts Historic Commission, certified rehabilitation projects on income-producing properties are eligible to receive up to 20% of the cost of certified rehabilitation expenditures in state tax credits. There is an annual limit on the amount of tax credits available, so selection criteria is employed to ensure funds are distributed to projects that provide the most public benefit. Web: [www.sec.state.ma.us/mhc/mhctax/taxidx.htm](http://www.sec.state.ma.us/mhc/mhctax/taxidx.htm)
- ♦ The **New Market Tax Credit** program supports development and redevelopment projects in eligible Census Tracts meet specific economic distress thresholds. In Franklin County, NMTC eligible Census Tracts are located in Downtown Greenfield, Turners Falls, and the towns of Erving, Orange, Warwick and Wendell. Web: [www.cdfifund.gov](http://www.cdfifund.gov)

**Green Improvements:** There are several organizations and programs that can offer assistance to businesses investing in renewable energy or energy efficiency improvements, such as:

- Mass Save, [www.masssave.com](http://www.masssave.com)
- Massachusetts Clean Energy Center, [www.masscec.com](http://www.masscec.com)
- UMass Clean Energy Extension, [www.ag.umass.edu/clean-energy](http://www.ag.umass.edu/clean-energy)

## What is a TIF?

Tax Increment Financing (TIF) is a tax exemption plan based on a percentage of the value added through new construction or renovation for an agreed upon number of years from five to twenty years.

## What is a tax credit?

Tax credits allow a developer to lower its amount of taxes owed. In some cases, this tax benefit can be sold to an investor or another entity for its use, which allows the developer to raise capital for the initial development project. There is a variety of tax credit programs that are applicable individually or in combination for select projects. Tax credits are awarded through a competitive application process. These programs are effective tools to support development and redevelopment; however, they are also very complex. It is highly recommended that appropriate professional staff be consulted when attempting to utilize these programs.

# Highlighted Regional Asset

From start-up to market, the **Western Mass. Food Processing Center (WMFPC)** can work with you to provide every advantage as you launch or expand your business. The Center offers business planning, recipe development, scale-up and testing, referrals to labs for product testing, and preparation for license inspections. Here are just some of the businesses and products launched from the Center:

- ◇ Appalachian Naturals
- ◇ Artisan Beverage Coop, makers of Katalyst Kombucha, Ginger Libation, and Green River Ambrosia
- ◇ Shire City Herbals' Fire Cider
- ◇ Herrell's Hot Fudge Sauce
- ◇ Hillside Pizza
- ◇ Just Roots' Just Soup
- ◇ Real Pickles, Inc.
- ◇ Steem Peanut Butter
- ◇ Tortured Orchard Original Sauces
- ◇ Yummy Yammy Salsas
