OTHER IMPORTANT CONTRIBUTORS AND PARTICIPANTS

Richard Kwiatkowski, Town Administrator
    David Frye, Highway Superintendent
    Brian Gale, Building Inspector
    Ed Billiel, Waterwater Treatment Plant, Chief Operator
    Richard Kilhart, former Water Department Superintendent

Many thanks to the Orange Master Planning Committee members and to the others listed above for their input and assistance with this important project.

Thanks also to other residents and town staff who attended the Master Plan meetings and offered comments and suggestions on draft versions of the Plan.

The Orange Master Plan was prepared with funding from the Town of Orange, the Massachusetts Department of Housing and Community Development, the Massachusetts Executive Office of Environmental Affairs, the Massachusetts Executive Office of Transportation, and the Massachusetts Department of Economic Development.

| **CHAPTER 1: OPEN SPACE AND NATURAL RESOURCES**                       | 1-1  |
| Introduction                                                          | 1-1  |
| Open Space and Recreation Plan Goals and Key Recommendations          | 1-2  |
| Identification of Potentially Suitable Areas for Future Development   | 1-4  |
| Step 1: Identify Areas with Absolute Environmental or Open Space      | 1-6  |
| Constraints                                                           | 1-7  |
| Step 2: Identify Areas with Potential Environmental Constraints       | 1-9  |
| Step 3: Identify Areas that Contain Developed Land Uses               | 1-9  |
| Step 4: Identify Areas that are Potentially Developable               | 1-9  |
| Step 5: Identify Potentially Suitable Areas for Future Residential,  | 1-10 |
| Commercial, or Industrial Development                                  |      |

| **CHAPTER 2: ECONOMIC DEVELOPMENT**                                   | 2-1  |
| Introduction                                                          | 2-1  |
| Economic Development Goals and Objectives                             | 2-2  |
| Demographic Characteristics                                           | 2-5  |
| Population                                                            | 2-5  |
| Age Distribution                                                      | 2-6  |
| Education and Skills                                                  | 2-8  |
| Income and Wealth                                                     | 2-10 |
| Labor Force Characteristics and the Local Economy                     | 2-11 |
| Commuting and the Regional Labor Force                                | 2-12 |
| Labor Force Participation and Employment                              | 2-13 |
| Occupation Profile                                                    | 2-15 |
| Industry Sectors and Major Employers                                  | 2-16 |
